Universal Design, Responsive Design: Keys for Welcoming Persons with Varied Abilities

Universal Design means:

- Equal access
- We may be thinking about it for a few people, but many more will benefit!

Examples of Universal Design: 3 ways you can think for a greater number of people

- Provide Schedules and Previews
- Watch your wording
- Offer a gluten free Lord's Supper option

Responsive Design

- Pieces of the plan:
 - Leadership needs to be on board
 - Get to know the individual
 - Develop an action plan:
 - For the individual
 - For the "others"
