Miss Kate Sedebow:

The Consistory of Hope Church desiring to testify their appreciation of the long-continued and cheerfully-rendered services of Miss Kate Sedebow as organist, place upon their Minutes a vote of thanks to her. They also ask her acceptance of the accompanying tribute, which the congregation unitedly

present. Chiefly through the agency of Mr. Albert Dutton a paper was circulated bearing the following heading:

We, the undersigned, members of Hope Church and persons interested in its welfare, do hereby give the sum affixed to our names, in order to make a Christmas present to Miss Katie Sedboer, as a thank-offering and as a token of our appreciation of her services as organist.

There was a cordial response to this. We enclose

the money (\$30.00) leaving it
to Miss Seideboer to decide what
will be the most acceptable
present.

Wm. A. Shields, Sec.
Christmas, 1879.
