Holland, Mich.,  
Friend VanRaalte;

I enclose you herewith copy of letters addressed to General Shakespeare and Geo. M. Buck, Washington, D. C. I do not know whether I have struck the right key in this matter or not, but time will show. In the meanwhile accept my best greeting of Christmas for yourself and Mrs. VanRaalte and the children. I have the honor to be,  
pic. L.K. Very respectfully,

*Louis Kanitz*
