

Detroit Dec. 20/17

Dear sister Kate

I would like ever so much to  
spend Christmas with you and  
the rest of the family.

The company was pretty good  
to me so good I have not the  
nerve to ask for another lay-off  
so soon. I guess I had better  
wait until next Christmas.

Be sure and kiss the youngsters  
for me. Love to all

John
