

Chicago Ill,

Aug-10-1903

My two little Sweethearts:-
We are in the depot, waiting
for our train to take us west
We are both wearing the
orange Michigan badge -
A moment ago a party
was singing Maryland
My Maryland, and they
all wore the Maryland
badge so suppose they came
from way off there. Tell
Hattie her lunch was good
the bacon nearly gone

Don't let Kittie get home
sick. take good care
of her. Papa says you must
let Nameless out to play
in the pasture no less than
three times a week.

Be sure to let me know if
you catch the woodchuck
down at Uncle Ben's.

He was down to the depot
to see us off - Mama is
holding her paper on her hand-
bag, but I thought you
would not be critical.

Good Night + Mama's

prayer to God is that He
will watch over you &
keep you in health I
hope Lickie is all right
God bless you my boys.
Remember us to Kitten &
Hattie.

With much love
Mamma & Pappa.
